Objective

Software Developer with hands-on exposure to web development, database querying, and service integration, focused on delivering reliable software solutions.

SKILLS

- **Core Skills:** Python, Core Java , SQL, REST APIs Development, Django
- **Programming Languages:** C, Python, HTML, CSS, JavaScript ,React.Js, Bootstrap,Flask
- **Database Management:** MySQL, OOPs Concepts, Data Structure and Algo, MongoDB.
- **Tools & IDEs:** Visual Studio Code, Git, Postman, Excel
- **SoftSkill** : Problem-Solving, Communication, Leadership

PROJECTS

Maths Tutor :
developed a Maths Tutor application This Python-based educational platform is designed to help children learn basic Math and English through interactive games and quizzes. The goal is to make early learning fun, engaging, and effective, with future expansion into Science and General Knowledge topics.
Created backend APIs in Django and managed database interactions using MySQL.
Tech Stack : Python, django, MySQL, HTML5 ,CSS

Comparison Analysis - Food Delivery Platform :
Developed predictive models using Logistic Regression and Random Forest to evaluate user support for Amazon's potential entry into the food delivery market. Created an interactive Streamlit dashboard to visualize insights and enhance decision-making.
Tech Stack : Streamlite Library, EDA, Python, Scikit-learn,ML-Algo

Dental Clinic Management System :
developed a Dental Clinic Management System that streamlines appointment booking, patient management, and lab report access. The system supports multiple user roles including admin, receptionist, and patients, ensuring efficient clinic operations and better coordination.
Tech Stack: React.js, node.js, express.js, mysql

EDUCATIONAL QUALIFICATION

- MCA – SIMCA Pune | 2023 – 2025 | CGPA: 7.82
- B.Sc. Computer Science – Vidya Pratishthan, Baramati | 2020 – 2023 | CGPA: 9.20
- 12TH | Natepute Education Society Natepute| 2019-20 | Percentage:78.62%
- 10TH |Natepute Education Society Natepute | 2017-18 | Percentage : 81.80%

CERTIFICATES & ACHIEVEMENTS

- Certified in C Advance Language by IIT Bombay (Year) – Focused on data structures, pointers, and memory management. (2022)
- HTML Language Certification – IIT Bombay (2022) | Secured 1st Rank in HTML Certification at College level at Vidya Pratishthan's Arts, Science and Commerce College, Baramati (2020–2023)

PERSONAL INFORMATON

Date of Birth : December 10th, 2002
Address : Pune ,Maharashtra
